Respective forms can be found in the Online Service Center. The resulting costs for additional supervision and security staff will be charged to the exhibitor. The exhibitor ticket shop also provides you with a list of the invitations which have already been used and, after the exhibition has started, a list of the invitations with admittance.
Cost element clause:	HMC may, at its reasonably exercised discretion, adjust the prices subject to this contract (pursuant to German Civil Code (BGB), Section 315) to reflect the development of costs relevant for price calculation. A price increase may be considered, and prices shall be lowered as appropriate, for example, in response to higher or lower costs incurred for the procurement of energy, or as warranted otherwise by changes of the cost situation due to new legal conditions affecting the event hereunder (such as a higher legal minimum wage). In the event of cost increases of a particular cost type, such as electricity costs, the prices charged by HMC may only be raised to the extent that the cost increase is not offset by decreasing costs in other areas, such as sales. If any costs, such as electricity costs, are lowered, HMC must lower its prices accordingly unless the lower costs are partially or entirely offset by higher costs in other areas. In exercising its reasonable discretion, HMC will choose the timing of any price change to avoid accounting for cost reductions in a manner that will put the Exhibitor at a disadvantage relative to cost increases, in other words, HMC will make sure that cost reductions will be reflected in its prices to the same extent as cost increases.
